SIDDHANT S. GHANEKAR

Bachelor of Science in Information Technology

✉ ghanekarsiddhant158@gmail.com   📞 9867922722

📍 Santacruz, Mumbai

Objectives

A passionate B.Sc.IT graduate skilled in web and mobile application development, seeking an entry-level role to apply my technical and analytical skills in full stack development and contribute to innovative projects.

Experience

Currently seeking internship or entry-level opportunities to gain hands-on industry experience.

Education

B.Sc. in Information Technology | M.L. Dahanukar College of Commerce   2025
   Board | University: University of Mumbai
   CGPA | Percentage: 6.12

HSC (12th Science) | Sathaye College of Commerce, Science & Arts   2021
   Board | University: Maharashtra
   CGPA Percentage: 73%

SSC (10th) | Patuck Technical High School   2019
   Board | University: Maharashtra
   CGPA Percentage: 61%

Technical Skills

Programming Languages
   HTML, CSS, JavaScript, Jquery, Python, Dart

Databases
   MySQL, Firebase

Tools & Frameworks
   Visual Studio Code, GitHub, Flutter, Bootstrap

Project

Nxtstep - Shoes Website (HTML, CSS) 🔗
   - Front-end website showcasing a clean, modern shoe store design built using only HTML and CSS.
   - Fully responsive layout with attractive visuals and intuitive navigation.
   - Demonstrates mastery in styling, layout design, and user experience basics without JavaScript.

Banking System (Python, MySQL) 🔗
   - Developed a command-line banking app supporting account creation, deposits, withdrawals, and balance tracking.
   - Integrated MySQL for secure data handling with modular design for future feature expansion.

HR System (Python, MySQL) 🔗
- Built a Python-based HR system for managing employees, attendance, leave, and salary records.
- Implemented a menu-driven interface with data validation and error handling for smoother operation.

DGcom Web Design (HTML, CSS, Bootstrap, JS) 🔗
- Web design project demonstrating modern front-end skills (HTML, CSS, Bootstrap, JS).
- Focused on responsive layouts, user experience, and clean code organization.
- Ideal for showcasing web development and UI/UX skills for portfolios or client work.

Expenscio - Expense Tracking App | Final Year Project
- Built a mobile app using **Flutter & Firebase** for secure expense tracking.
- Features include login authentication, budget alerts, and monthly expense reports.
- Focused on user-friendly design and performance optimization.

Mini Projects

Digital Clock (HTML, CSS, JavaScript) 🔗
- Responsive web app showing a real-time digital clock with automatic updates and smooth display.
- Demonstrates DOM manipulation, web animations, and a clean, mobile-friendly interface.

Calculator (HTML, CSS, JavaScript) 🔗
- Built a responsive web calculator supporting all basic arithmetic operations with a modern UI.
- Highlights interactive design, DOM event handling, and functional web development skills.

Certification

Microsoft Certified: Azure AI Fundamentals (AI-900)
Completed certification covering AI concepts, machine learning, computer vision, and natural language processing workloads on Microsoft Azure. Certified by Certiport.

Full Stack Web Development
Currently enrolled and learning full stack development, including HTML, CSS, JavaScript, ReactJS, Bootstrap, Python, Django, MYSQL

Academic Course

BSc IT
Programming in C, C++, Javascript, Python | Data Structures & Algorithms | Operating Systems | Mobile programming

Personal Detail

Language known
English, Hindi, Marathi

Date of Birth
2003-09-07

Hobbies
Gaming, Cricket, Reading
